Mark your calendar for Saturday September 21 (9 to 3). **This is for members ONLY.** The sale is being conducted at Bob Kelly's home. PSPCS wishes to thank Bob and Pam for their hospitality and the use of their place for this event. This is NOT open to the public.

Please watch your email for more information on this sale.

We will have items from the sale at our meeting. They will be for sale, so bring your check-books or cash.

Our 35th Year

Our Society is in its middle age. Most of our members are closer to our Golden ages. As we start the 35th year our group needs to recruit some younger middle age folks to add to our ranks. I'm open to more ideas on how to recruit more members. Our society has a present on many of the social media sites – Facebook, Twitter and Meetup. This effort has added a few members but no new ones attending our meetings.

This is your society and is only

as great as its members. We have made many pleas for someone to come forth to be editor of our newsletter. The writing of the newsletter can be a collaboration effort with the Editor putting it together and publishing it on Harold's wiki. You all have stories to tell or information to share. In this age of electronic info sharing everyone can contribute something. The use of the Dropbox application can help to gather everyone's input to articles. It

is simple as opening the file and adding your "two cents" or "dropping" an article into the Dropbox.

There are not many photographic societies left in the area. There used to be a half a dozen camera show or swaps in the Pacific Northwest now there are only a couple. So it is up to our members to step up and help out.

Puget Sound Stereo Camera Club (PSSCC) Meeting

Puget Sound Stereo Camera Club (PSSCC) next meeting is on Saturday, September 14 from 12:00 - 3:00 pm at Federal Way Senior Center, 4016 South 352nd Street, Auburn, WA 98001.

COMPETITION: Our competition theme for September, as usual, is "What I Did Last Summer", which is pretty broad, so we expect some terrific and varied entries. Bring your stereo photos on a flash drive, and let's celebrate summer! More information at <http://www.psscc.org/>
